CORRIGAN'S FIGURES.

Evidence of Mismanagement in the Truants' Home.

Mackerel 1 Cent a Pound One Year and 14 Another.

Other Queer Discrepancies in the Price of Supplies.

The Aldermanic Committee appointed to investigate the various city departments in Brooklyn today began an inquiry into the management of the Truants' Home, and adjourned because the discoveries made by the expert accountants were of such a startling nature that he wished to go deeper into the accounts before making a report.

The expert at work on the books of the Home is Franklin Allen, formerly secretary to Mayor Seth Low. Mr. Allen was the only witness before the Committee today.

He testified that, so far as he had gone over the accounts of Supt. Patrick Corrigan, he had found a big discrepancy in the price of supplies furnished the home. In 1893, for instance, the accounts had been supplied for 50 cents a bushel, and in 1894 for 40 cents, and in 1895 for 30 cents, and in 1896 for 20 cents, and in 1897 for 10 cents, and in 1898 for 5 cents, and in 1899 for 2 cents, and in 1900 for 1 cent, and in 1901 for 1/2 cent, and in 1902 for 1/4 cent, and in 1903 for 1/8 cent, and in 1904 for 1/16 cent, and in 1905 for 1/32 cent, and in 1906 for 1/64 cent, and in 1907 for 1/128 cent, and in 1908 for 1/256 cent, and in 1909 for 1/512 cent, and in 1910 for 1/1024 cent, and in 1911 for 1/2048 cent, and in 1912 for 1/4096 cent, and in 1913 for 1/8192 cent, and in 1914 for 1/16384 cent, and in 1915 for 1/32768 cent, and in 1916 for 1/65536 cent, and in 1917 for 1/131072 cent, and in 1918 for 1/262144 cent, and in 1919 for 1/524288 cent, and in 1920 for 1/1048576 cent, and in 1921 for 1/2097152 cent, and in 1922 for 1/4194304 cent, and in 1923 for 1/8388608 cent, and in 1924 for 1/16777216 cent, and in 1925 for 1/33554432 cent, and in
